***Thank you for your support!***

# BIG THOMPSON WATERSHED FORUM

## MEMBERSHIP BENEFITS

### DATA:

- access to scientifically valid water quality data for:
  1. academic research,
  2. assessing and determining permit limits (NPDES),
  3. industrial, suburban, agricultural and livestock management strategies and impacts,
  4. MS4 and stormwater assessment,
  5. recreation, fishing and biological impacts,
  6. fire, pine beetle and natural impacts
  7. environmental impact statements and assessment, and
  8. water quality summary reports for the entire watershed.

### INFORMATION:

- website [www.btwatershed.org](http://www.btwatershed.org).
- quarterly newsletter.
- community outreach programs for specific audiences.
- advertising forum for watershed-related activities.

### EXPERTISE:

- collaboration with a team of highly qualified water professionals.
- resource center for watershed issues.
- focus groups that address specific watershed issues.

### ACTION:

- water monitoring and assessment services.
- educational programs.
- river clean ups, stream bank restoration.
- protect water quality at the source rather than at the point of diversion.
- build community support and engage in sustainable resource management.
- eligibility for election to the Board of Directors.
- voting rights to elect the Board of Directors.

*Significant financial contributors (\$1000 or greater) are eligible for one of six “major contributor” seats on the Board of Directors.*

<u>Levels of individual and corporate support:</u>			
Benefactor	\$1000 or more	Sustainer	\$100
Sponsor	\$500	Individual	\$25
Patron	\$250	Student	Free
